

Senior Community Outreach Project Support during COVID – 19

The Senior Community Outreach Project operates in partnership with James Bay New Horizons and Silver Threads Service. During the COVID – 19 Pandemic we will try and support our seniors who are following the advice of our Government and Health Officials and are staying at home.

The **Outreach line (250) 889-4430** will be monitored Tuesday to Thursday from 8:30 to 4:00pm. Seniors can leave a message with their name, phone number and request of how we can help. We will do our best to lend a hand and will get back to you within a day.

If you are concerned you may have contacted COVID-19 please do not go to emergency, you are advised to call BC811.
For any non-Covid-19 medical emergencies please call 911.
