

May 2021

Program Schedule

Public Health Order Update Expected May 25th

Pre-registration is required for most programs. Call our centres for details.

Due to the Provincial Health Order announced on March 29th 2021, we are unable to accommodate any group activities for now. This current health order has been extended until May 25th, we hope to resume programming as soon as the restrictions are lifted.

We will continue to offer one on one support programs. Please note that regular participants in our 2021 programming will be contacted when we are able to resume fitness activities.
