

# Silver Threads Service Victoria Center Parking Guide

## On Site:

- We have **six** available parking spaces **on site**. They are accessible off Caledonia Street at 902 Caledonia (by the corner of Quadra Street). When you drive into the lot our spaces will be on the right. Each of our spots are clearly marked with signs reading "Silver Threads Service Reserved 24hrs" all other spots on site are reserved for Quadra Terrace.
- To Access the front of the building from the parking lot you may follow a path beside the building leading to the sidewalk, from there round the corner onto Quadra St and descend either the stairs or the ramp leading to our front door. Once you're there come on in we're happy to see you! If you experience mobility challenges, we also have a back door facing the parking lot with a doorbell, give it a ring and we will come let you in.

Parking in the City of Victoria is at a premium in the downtown core. Parking spaces require land and/or money which is difficult for a charitable organization such as ours to fund. We are doing our best to make this work and appreciate your patience.
