

# Silver Threads Service Victoria Center Parking Guide

## Designated Parking:

The Victoria Centre is located at 1911 Quadra Street.

There are **six designated spots** behind our Centre at 902 Caledonia Street.

The spots are to the right of the driveway. Each of our spots are clearly marked

“Silver Threads Service Reserved 24hrs”

All other spots on site are reserved for Quadra Terrace and you are subject to being towed if you park there.

We have **three designated spots** at the front of the building that are accessible off Quadra Street.

These spots are located between Momo Sushi and 1911 Quadra Street. The three spots face the road in front of the Silver Threads sign.

All other spots on site are reserved and you are subject to being towed if you park there.

Please note: Parking in the City of Victoria is at a premium in the downtown core. Parking spaces require land and/or money which is difficult for a Charitable organization such as ours to fund. We are doing our best to make this work and appreciate your patience.
